

Capstone Paper Checklist 2020

Please print this checklist as a **double-page** document and **separate** it from your capstone paper during submission.

Dear Student,

To **PASS** your paper, you have to comply and agree to all following terms and conditions:

Use of proper written English and materials

- This paper DOES NOT contain any material that are copied and pasted from other sources.
- All references are accurately cited and included at the end of the paper by using the provided options in class.
- All tables and figures are appropriately and accurately labelled and referenced in the text.
- This paper is written using a high standard of English and has been proof read to eliminate mistakes.
- Code or pseudo-code potentially needed has been minimized and placed into an appendix.
- Tables which are longer than one page have been moved to an appendix.

Legal and business best practice

- Unless explicitly agreed, the name of the company is completely excluded completely from the document.
- The legal name of the company is used correctly.
- All sensitive data blocked out of the report has the following disclaimer: 'All figures cited are fictional or are blocked for confidentiality reasons. All figures cited are for illustrative purposes only'.
- The company has given written permission for all information cited in the paper. (Please include this as part of your submission.)

Deliverables

- This paper has been approved and signed off by supervisor(s) at the Capstone enterprise.
- Original figures/images/graphs/charts should be provided in
 - eps, tiff, jpeg, pdf or psd format
 - Resolution of at least 300 dpi for halftones, 1200 dpi for type and line art

 - Jupyter notebook (optional)

Capstone Paper Checklist 2020

Copyright

- The company has agreed to this paper being in the public domain. Please include in your submission a formal exchange documenting the agreement.
- The undersigned hereby assigns to National University of Singapore (NUS) all rights under copyright that may exist in and to: (a) the above paper, including any revised or expanded derivatives submitted to NUS by the undersigned. The undersigned hereby warrants that all the materials included in the paper are original and that he/she is the author of said materials. To the extent they incorporate text passages, figures, data or other material from the works of others, the undersigned has obtained any necessary permissions.

I have complied with all the above criteria.
